Streaming media tools creating an engaging learning experience, on the fly, inexpensively and connecting people.

Derek Chirnside –

<http://lits.gen.nz/>

http://groups.google.com.au/group/teachAndLearnOnline/browse_thread/thread/3f00e97b4fe97fea

Something on Moodle maybe, on Course as Community (wanna-bee), Bounded vs. *Free Range* learning, or on Staff development for Higher Education in an e-world.

John Eyles –

<http://www.johneyles.info/>

A tale of community based e-Governance. Seeking to harness the enthusiasm and knowledge of ICT enabled citizens to the legal and political processes to produce local government decision-making that is both more expert and, at the same time, more democratic.
